REPORT N° PRO2017-013

Date	19/06/2017
Submitted by	Brian Wilson
Subject	Implementation Strategy and Timing for the Master Fire Plan
File N°	A02-MFP

1) **NATURE/GOAL :**

To obtain direction and approval from Council regarding an implementation strategy and proposed timing to address the recommendations within the 2017 Master Fire Plan, which was received by Council on May 15, 2017.

2) **DIRECTIVE/PREVIOUS POLICY :**

On May 15, 2017, Council received the 2017 Master Fire Plan and instructed the Director of Protective Services to prepare a report outlining an implementation strategy for the recommendations contained in the Master Fire Plan.

On June 5, 2017, Council passed a resolution to maintain the existing Fire Prevention & Public Education along with Suppression staffing levels.

3) **DEPARTMENT'S RECOMMENDATION :**

THAT Report No. PRO2017-013 in regards to the 2017 Master Fire Plan be received; and

THAT the Director of Protective Services be directed to begin implementation of the 2017 Master Fire Plan in accordance with the implementation strategy outlined in Report No. PRO2017-013; and

FURTHER THAT the recommendations outlined in Report No. PRO2017-013, which identify a funding requirement, shall be included in, and are subject to Council's approval during the 2018 budget process for implementation in the 2018 calendar year.

QUE le rapport no. PRO2017-013 au sujet du Plan directeur du service d'incendie 2017, soit reçu; et

QUE le directeur des Services de la protection soit mandaté à commencer la mise en œuvre du Plan directeur du service d'incendie 2017 conformément à la stratégie de mise en œuvre énoncée dans le rapport no. PRO2017-013; et

AUSSI QUE les recommandations énoncées dans le rapport no. PRO2017-013, qui identifient une exigence de financement, soient

sujet à l'approbation du Conseil au cours du processus budgétaire de 2018 pour une mise en œuvre au cours de l'année civile 2018.

4) **BACKGROUND :**

In June 2016, Council approved hiring Dillon Consulting to undertake a Fire Master Plan. The draft of the Fire Master Plan was received by the City in April 2017. The final revision was received in May 2017. Contained within the 2017 Master Fire Plan are forty-six recommendations affecting nearly all aspects of Clarence-Rockland's Fire Department. Some of these recommendations are administrative, some are operational, and others require financial commitment from Council (either up front, or on-going, or a combination of both).

Pursuant to Council's receipt of the 2017 Master Fire Plan on May 15, 2017, the Fire Department has evaluated these 46 recommendations and has prepared this report as an implementation strategy a suggested timeline for these recommendations.

5) **DISCUSSION :**

The following recommendations are taken from the 2017 Master Fire Plan, and include a page number reference to the Master Fire Plan along with a recommendation for adoption along with the expected implementation timeline. An anticipated implementation cost is also noted on the same line as the recommendation, and is summarized in the Financial Impacts section of this report, in both Operating and Capital costs.

6) **FINANCIAL IMPACT (expenses/material/etc.):**

To implement the recommendations within the 2017 Master Fire Plan would require financial commitment from Council as outlined in the chart below. This is in addition to existing financial commitments already in place. All financial requirements will be included in the appropriate budget proposal for review by Council for that year. (Note: These are estimated costs in 2017 dollars and may fluctuate)

(6) Estimated cost to replace Squad 2 and Squad 3

7) **RISK MANAGEMENT :**

Adopting an implementation strategy demonstrates a commitment to correcting deficiencies noted in the 2017 Fire Master Plan. This should help to reduce potential liability.

8) **STRATEGIC IMPLICATIONS :**

Developing an implementation strategy to adopt the recommendations in the Fire Master Plan will help to resolve the outstanding deficiencies within the Fire Department. Making investments into the Fire Department also have a part in improving Clarence-Rocklands Fire Underwriters Study (FUS) ratings (both the Public Fire Protection Classification (PFPC) and the Dwelling Protection Grade (DPG) which are used in determining insurance premiums for property owners).
