**Members of Council,**

We, France & Pierre Guay living at 250 Voisine Road in Rockland went through 2 major floods, one in 2017 and then again in 2019. After the second flood we decided to elevate our house for our own peace of mind etc. In 2019, the maire at the time was looking at getting us a grant with the province but that never was accepted by the province. Then at the meeting at the Optimist Hall in 2019 the mayor told us that for those who had already purchased a permit for construction that we would be reimbursed.

We are hereby requesting the reimbursement of two permits 2019-436 (\$735.50) and 2020-358 (\$403.80) because we elevated the house and we had to re-build a new garage.

Both permits and inspections were done, and our file is now closed. It was a long process and with covid everything was stopped.

For your consideration and if you need additional please feel free to reach out.

Merci!
