Dear Council,

The proposed 8.74 tax hike that I'm hearing about is ridiculous, compared to Ottawa's 2.9 proposed tax hike.

We pay more in taxes than residents in Orleans, what's wrong with this picture.

I've seen some chatter online about large salary increases given for some City's team members.

Our street lights have been out for over a year as a result of the City replacing some culverts, check out Du Ruisseau at night.

The Mayor didn't even send me a simple acknowledgment of receipt for an e-mail I sent him asking for his help. It can even be auto generated.

I'm very disappointed in those that are in favor of proposing such a thing.

Sincerely yours,

Alain Schinzel
