QU'IL SOIT RÉSOLU QUE le règlement 2025-10, visant à dédier public la parcelle décrite comme étant le bloc 6 du plan 50M-385, soit adopté.

Background

The passing of a by-law to dedicate as public is required when a parcel that is being transferred to the municipality is to be located within the right of way (ROW). If adopted, the by-law would be registered on the title of the conveyed parcels.

Discussion

The transfer of the block for a road widening was among the condition of the Subdivision approval of part of Stage 4 of Morris Village. The block in question is Block 6 of Plan 50M-385 and will become part of Docteur Corbeil Boulevard and St-Jean Street.
