

GET SPACE

MORE THAN JUST STORAGE

To Whom It May Concern,

I am writing to formally apply for a billboard sign permit for the property located at **860 Summit Private, Rockland, Ontario**, which I currently own. I am seeking approval to retain the existing sign on the property through a variance application.

To ensure compliance with the **bilingual by-law of the City of Clarence-Rockland**, the signage content will be updated accordingly. The sign currently advertises my company, **Get Space**, which operates at **830 Summit Private**, located within the Parc Hudon Business Park, of which 860 Summit Private forms part.

Using Google Earth, I have measured the distance from the sign location to the nearest existing signs, and they are all located more than **300 metres away**.

Once Get Space is fully established, I intend to construct a more permanent and professional sign to advertise the business park as a whole.

Thank you for your time and consideration of this application. Please feel free to contact me should you require any additional information.

Sincerely,
Alex Long
