

Name	Organization Name	Application Type	Financial Request	In-Kind Evaluation	Comments from finance	Event Date
Projet CARE de rénovations et d'extention au CACRHC	Centre d'Aide de Clarence-Rockland Help Centre	Financial	\$ 5,000	\$	- This may be considered as an operational request	
Remplacement des portes de l'église	Très-Sainte-Trinité de Rockland	Financial	\$ 5,000	\$	- This is an operational request. I don't think the project meets to policy guidelines	
Cadets training 2026	137 Rockland Army Cadets	Financial	\$ 5,000	\$	The City is considered as primary source, does not qualify under the policy. The Mayor's fund also just awarded \$3,000 for the same request. They also did not provide a detailed budget.	
Camp d'été 2026	Scouts de la 64e Clarence-Rockland	Financial	\$ 5,000	\$	The summer camp is not happening within Clarence-Rockland, it is for the kids from Clarence-Rockland. I am worried with the goal of the application. They are simply reducing the camp fees. Yes it is more accessible for participants, but it doesn't seem to be focusing on "low income families".	
Dîner Communautaire	Services Communautaires de Prescott-Russell	Financial	\$ 1,000	\$	Not budget was supplied with the application. No details on other revenue, but participants will have to pay some share to participate, that will create some revenues.	
soccer bourget	Club optimiste de Bourget	Financial	\$ 5,000		This is more of a capital purchase, does not fit "cleanly" in "initiatives". We are already contributing \$3,000 to the organization through program #3. We may want to limit the contribution to \$2,000. The activity is also generating a surplus of \$9k	
Bourget Community Market	Prescott Russell Recreational Trail	In-Kind and Financial	\$ 2,000	\$ 1,116	The City seems to be the main revenue source for this event. The City contributed to the event in 2025 (\$1,000 in cash and \$1,003 in in-kind)	2026-05-16
Cadet Air - Parade Annuelle de fin d'année	832 Twillick Air Cadet Squadron	Financial	\$ 373	\$	- The organization is asking for the City to cover the rental cost for the ceremony.	2026-05-30
IG Wealth Management Walk for Alzheimer's 2026	Alzheimer Society of Cornwall & District	In-Kind and Financial	\$ 4,423	\$ 577	This is a fund raising activity. Other revenues are fund raising only. The City contributed \$2,000 in cash and \$553 in-kind to this event last year.	2026-05-31
Rockland Track and Field Club Launch	Athlétisme Rockland Track and Field Club	Financial	\$ 5,000	\$	The in kind request will be rejected as the work requested is not on City property. The grant is considered primary source of funding, does not respect policy. Also everything that the funding will be used for is considered operational for the club, purchase of equipment, etc.	2026-06-01
AIDES rendez-vous de Juin	AIDES	In-Kind and Financial	\$ 1,283	\$ 3,717	Financial request lowered to respect the maximum of \$5,000. Not a lot of information on revenues. When considering the full \$5,000 contribution, the municipality seems to be the main revenue.	2026-06-13
Série Samedi ça me dit	TVC22	Financial	\$ 5,000	\$	The City seems to be the main revenue. I would recommend limiting the City's participation to \$2,500, equal to TVC22's share.	2026-06-29
Concours de labour Clarence-Rockland 2026	Association des travailleurs Clarence-Rockland	Financial	\$ 2,400	\$	The application seems to be in line with policy. The City contributed to the event in 2025 (\$2,400) and 2024.	2026-08-22
CBRA Falcons- 2026-27	Clarence Rockland Ringette Association (CCRA)	Financial	\$ 5,000	\$	Some of the funding request is operation (ex : Jersey replacement, etc. Here is also an excerpt from the policy : Consideration will not be given to requests for grants used to sponsor an individual athlete or team for a competition, or to subsidize participation in a sports event.	2026-08-31
Programme Ado IRL	Services aux victimes Prescott-Russell Victim Services	Financial	\$ 5,000	\$	The funding would go towards the promotion of the organization and not necessarily in a specific activity. Grey area whether it fits within policy	2026-09-01
Journée des Franco	Club Champlain Rockland	Financial	\$ 5,000	\$	The only revenue seems to be a \$2,000 subsidy. I would recommend limiting the Citie's share to \$2,000, As per the policy, the City should not be the main revenue.	2026-09-25
concert de Noel	Choeur du Moulin	Financial	\$ 1,000	\$	- The application seems to be in line with policy	2026-12-20
